IV. PLAN REVIEWED REQUIRED

Plans must be submitted with application for plan review with fee payment before permit is issued, except as listed below.

Plans are not required for the following:

- 1 & 2-family dwellings containing not more than 3,500 square feet of building area.
- Building with a required plumbing fixture count less than 12.
- Alterations/repairs determined by the plumbing official to be of a minor nature.
- Work done by a governmental or state agency costing less than \$15,000.

If work to be performed is described above, check box below "Plans Not Required".

Plans are required for all other building types and shall be prepared by or under the direct supervision of an architect or engineer licensed pursuant to 1980 PA 299 and shall bear that architect's or engineer's seal and signature.

Plan Review Submission Date: / / Plans Not Required

V. HOMEOWNER AFFIDAVIT

I hereby certify the plumbing work described on this permit application shall be installed by myself in my own home in which I am living or about to occupy. All work shall be installed in accordance with the State Plumbing Code and shall not be enclosed, covered up, or put into operation until it has been inspected and approved by a Certified Plumbing Inspector. I will cooperate with the Plumbing Inspector and assume the responsibility to arrange for necessary inspections.

Section 23a of the state construction code act of 1972, 1972 PA 230, MCL 125.1523A, prohibits a person from conspiring to circumvent the licensing requirements of this state relating to persons who are to perform work on a residential building or a residential structure. Violators of section 23a are subjected to civil fines.

VI. APPLICANT SIGNATURE

Signature of Contractor or Homeowner (Homeowner signature indicates compliance with Section V Homeowner Affidavit)	Date
--	------

Printed name

VII. Fee Clarifications

Item #2 Fixtures, Floor Drains, Special Drains, and Water Connected Appliances include:

IX. Instructions for Completing Application

GENERAL: Plumbing work shall not be started until the application for permit has been filed with Pittsfield Township Building and Safety. All installations shall be in conformance with the State Plumbing Code. **No work shall be concealed until it has been inspected and approved.** The inspection telephone number will be provided on the permit form. When ready for inspection, call Pittsfield Township Building and Safety providing as much advance notice as possible. The inspection department will need the **job address and permit number.**

EXPIRATION OF PERMIT: A permit remains valid as long as work is progressing and inspections are requested and conducted. A permit shall become invalid if the authorized work is not commenced within six months after issuance of the permit or if the authorized work is suspended or abandoned for a period of six months after the time of commencing the work. A refund may be obtained on a permit if a request is submitted in writing prior to the expiration of the permit. The refund will be less the application fee, 25% of the permit fee and any inspections that have been completed.
